20. Because payment is made before the service is performed, an advance invoice covering the full amount paid will be issued. The advance invoice therefore also constitutes the final invoice.

21. By selecting the "invoice" option, the participant consents to invoices being sent/made available electronically without the recipient's signature. This does not exclude the Organizer's right to issue and send paper invoices. Pro Forma invoices are issued within 3 business days, subject to possible extension.
